Total					**6**	

Student Signature _____ **Total Program Credits: 65**

Any changes to this plan must be made with the Director of the Student Services, Junior Pena at junipena@bu.edu
Any student who wishes to do a specialization should reach out to the Specialization Coordinator before the program begins.
**These electives are any advanced course in the Clinical Practice (CP), Human Behavior (HB), Welfare Policy (WP), or Macro Practice (MP) Departments (not the foundation courses: CP 755, HB 720, WP 700/701 or MP 759). At least three electives must be one CP, one HB, and one WP elective.*
**All students must take an advanced clinical practice course during at least one semester of the advanced placement.
It is highly recommended that at least one additional advanced practice elective be taken during the other semester(s) of the advanced placement.
