

## LOS ANGELES, USA > SUMMER ABROAD

### Los Angeles Internship-Only Program

This Los Angeles Internship-Only program option offers undergraduate and graduate students the opportunity to spend 10 weeks interning in the heart of Los Angeles. There are no classes offered in this program. Instead, students intern full-time for networks, studios, or other companies that specialize in film or television production, development, casting, marketing, or related areas. Not available to current AD/PR students.

This internship-only program gives students the possibility to work professionally in the heart of the film and television industries. Upon successful completion of the internship, students earn four Boston University credits.

#### INTERNSHIPS

Internship placements are contingent on the student's past experience language ability and available opportunities so flexibility is essential. Recent internship placements have included ABC, The Disney Channel, E! Entertainment, Fox Broadcasting Company, HBO Films, Lionsgate, Sony, SB Projects, 451 Marketing, and The Weinstein Company.
