All information requested above is required in order for an application for M-GRASP to be considered.

Please consult the M-GRASP guidelines for full information on eligibility.

Please note: All requests for M-GRASP tuition are subject to research and approval by GRS. The scholarship may be used only for courses required by the degree program. It may be used for courses taken as corequisites or prerequisites only by special permission. It may not be used for courses taken as audits or for no credit or for courses withdrawn with a "W" grade. It may not be used for medical insurance or late fees. Financial aid may not exceed the cost of required tuition and mandatory fees.
