P – Pass: Completed course requirements, 80% or more classes attended.

W – Withdraw: If you drop this class after the specified deadline, you will receive a “W” grade.

MG - Missing Grade: If you decide you do not want to take this course, but forget to drop it, this grade will appear on your transcript. In most cases, you will still be allowed to graduate and it will not affect your overall GPA, however you are strongly encouraged to drop this course within the allotted deadline to avoid this grade. Dropping before the deadline will remove this class from your transcript entirely.

I – Incomplete: If you fail to meet the attendance requirements of this course, you may receive an “I” until you have made up all missed classes with your instructors permission. Please make arrangements with your instructor to do so within the semester. Your grade will be changed to a “P” once you have made up all classes.

AU- Audit: If you intend to audit this class, please fill out and ask your instructor to sign a Class Adjustment/AU form and turn it in to the Registrar's Office by the deadline.

F- Fail: It is very unlikely that you will receive a failing grade. Your instructor is happy to work with you to make up any missed classes. A grade of “F” will only be given in extenuating circumstances.

Attendance Policy & Make-Up Classes:

You are expected to attend every session scheduled in the semester. The class is graded Pass/No Pass, therefore all University policies apply for receiving credit. You are allowed up to 5 absences to receive University credit and a passing grade. We highly encourage you to not only attend every session, but to practice on your own. You will get the most out of the course if you attend class and practice on your own regularly. If you miss more than 5 classes, you may make them up by doing either of the following:

- Participate in Recreational Swim for 45 minutes (obtain a makeup form from the lifeguard office and please bring your BUID).
- Attend another section of AQ 102 Beginning Swim ***if space allows. Please confirm if you are able to attend a different section for a make-up by emailing swimming@bu.edu.

There is no participation requirement for non-credit or auditing students. However, it is to your benefit to attend all sessions. Missing many sessions will also make it difficult to catch up on skills and may slow your progress in the course.
