

Boston University Executive MBA Scholarships

The Boston University Executive MBA Program awards a limited number of scholarships for incoming Executive MBA students. Selection for these scholarships is highly competitive with preference given to those who are self-financing all or part of their Executive MBA education.

The admissions application and scholarship application must be received by August 15, 2014 to be considered for a scholarship. All candidates who submit an admissions application and scholarship essay for scholarships will be notified if they have received an award by October 15, 2014.

Please write an essay addressing why you should receive a scholarship. The essay should include your professional and personal accomplishments, explaining how these will differentiate you as an Executive MBA Candidate and will add value to the program. The essay should be 1-3 pages, double-spaced. The essay should be included with your online application form, as Essay 4.
