

## Would you like this major?

A major is made up of a collection of required courses. For each major you are considering, review the BU Major List or go to [this website](http://bu.edu/academics/cas/programs) (bu.edu/academics/cas/programs) and click the “BA” link for that particular major. Look through the required courses using the [Course Description Search](#) and categorize them in the appropriate boxes below.
