Instructor: Sybil Huggins

Email: denasia@bu.edu

Meets Mondays & Wednesdays 10:10am – 11:00am in 220: 1.0 Credit

Dance Program Mission:

Our dance program provides students with technical, historical and compositional courses in multiple genres of dance designed to prepare and enhance their skills in communication, critical thinking and self-expression. Our curriculum choices offer multiple ways of investigating dance as a physical, aesthetic, intellectual and cultural practice. As part of *One BU /Recommendations for Accessing the Arts at BU*, we encourage our students to use their imaginative spirit to find opportunities to create innovative cross-discipline research and practice.

Course Description:

This class provides a solid foundation in tap technique and musicality, along with elements of classic repertoire, tap history, and music theory. We'll learn how to cleanly and efficiently execute everything from flaps and shuffles to time steps and paradiddles, focusing on clear, full-bodied rhythm-making. We will also study the so-called national anthem of tap dance, the Shim-Sham Shimmy, as well as the ubiquitous Condos Rudiments, among other famous material. Students will develop strong, fundamental skills relevant to both jazz tap and musical theater tap styles, and ultimately be able to perform basic steps and patterns with clarity, timing, style, joy, and confidence.

Required Attire:

The tap instructor recommends the Bloch shoe, which is a great shoe for beginners and those at the intermediate level. Other suggested brands include Capezio, SoDanca, and Miller & Ben. She recommends purchasing the shoe straight from the Bloch website. There is a store called Teddy Shoes in Central Square, Cambridge, which has a wide selection. The advantage is that you can try on the shoes, but they will likely be more expensive than purchasing directly from the brand websites.

Students should also come to class in appropriate dance attire – loose clothes or athletic wear. Baggy or formal clothing is not recommended. Long pants may be worn, but ankles must be visible at all times. In the absence of tap shoes, hard-soled shoes (not sneakers) can suffice.

- Form fitted clothing required (dance, aerobic or bike wear); supportive undergarments (i.e., sports bras, athletic supporters) recommended to ensure comfort and ease - individuals can determine best options for their body and can consult instructors with any questions.
- Please, no gum or dangerous jewelry.
- Hair secured away from face.

Learning Outcomes:

- Students will be able to identify and execute the following tap steps, some of which will be a review and some of which will be new: rudiments, crawl, flaps, slaps, shuffles, ball change, hop/leap, rhythm turn, Irish, cramp roll (regular, reverse, press, flap, pendulum/around the world), paddle (paradiddle), buffalo, drawbacks, double Cincinnati, scuff, scuffle, riff, ruffle, slurps (thirds), Maxie Ford (with a pullback & turn), stomps/stamps, time steps (single, double, triple, military, rhythm), waltz clog, front & back essence, pullbacks, wings, over the tops, toe stands, and other combinations of these steps.
- Students will learn at least one of the following historical routines: BS Chorus, Copasetic Soft Shoe, Shim Sham variation(s).
- Students will expand their musicality, particularly with triplet and double-time phrases.
- Define and be able to demonstrate rhythm, syncopation, downbeat, offbeat, accents.
- Understand and develop the following concepts: sidedness, shading, tone/dynamics, scattin.
