Your feedback and ideas are important to improving this program for future students. We appreciate you taking the time to help us!

1. What was your favorite lab activity in lab today? Why?

2. What activity in lab today did you dislike? How can we make it better?

3. Please rate the following based on how they facilitated your learning. (5=Great! Really helped me learn, 3=OK. I could take it or leave it, 1=Bad. Needs improvement.)

Teacher's knowledge of material	1	2	3	4	5
Teacher's speaking voice	1	2	3	4	5
Teacher's presentation	1	2	3	4	5
Lab worksheets	1	2	3	4	5
I'd recommend this lab to a friend	1	2	3	4	5

4. Anything else you'd like us to know?
