**TO:** Boston University Faculty and Staff

**FROM:** Jean Morrison, University Provost and Chief Academic Officer *JM*

**DATE:** January 25, 2022

**SUBJECT:** Actions Taken by the University Council During the Fall 2021 Semester

The Boston University Council held three meetings during the fall 2021 semester on September 14, October 12, and November 16. At these meetings, the Council did not vote on any new policies, but did approve the following degree and certificate programs:

- Graduate Certificate in Program and Project Portfolio Management (MET)
- Master of Arts in Religion and Public Leadership (STH)

President Brown has concurred with these actions, which officially brings them into effect.

The Council also received the Provost's annual report on institutional diversity, which may be accessed on the [University Council website](#) (Kerberos protected).

We are grateful to the members of the University Council for their thoughtful and diligent work throughout the past semester.
