Using Zoom Rooms

Kenmore Room

Set Up

1. Turn the TV on using the remote.

2. Bring the microphones and touch panel to the table if your meeting is hybrid.

Join a Meeting

1. Locate the Meeting ID and passcode in your meeting invite.

2. Tap "Join" on the touch panel, then enter your Meeting ID and passcode.
Share Content (Wirelessly)

1. Open and sign-in to the Zoom app on your computer or mobile device.

2. Click "Share Screen."
   You can share wirelessly at any time, even without joining a Zoom meeting.

Tips

- In a U-shape configuration, we recommend placing the microphones as close to the center of the group as possible. For example:

- When sharing, you may be prompted for the Sharing Key. This appears on the TV before joining a meeting or after tapping "Share Content" on the touch panel.
