

**SHARE YOUR FEEDBACK WITH
THE BOSTON UNIVERSITY STAFF
ADVISORY COUNCIL!**

The mission of the BU-SAC is to foster direct and regular communication between University staff and University leadership. The purpose of these communications is to identify and address areas of opportunity impacting the University's workplace culture. The Council also aims to provide a forum to share staff feedback on concerns and priorities that are important to the University staff.

As we enter our first year, we want to hear from staff about the issues that are important to them. This feedback form is anonymous but feel free to include your email address if you would like us to contact you for further feedback!
