

Student Organization Vendor & Supplier Guide

Please note: Never sign a form, contract, or agreement from a vendor or supplier; always upload the unsigned documents to OrgSync before working with the company.

These companies are among the most utilized suppliers by Boston University student organizations. Organizations can save time and effort by using one of these frequently-used vendors. If your organization would like to use a vendor not on this list, please consult a Student Activities Business Office professional staff member at (617) 353-9514 or at sabo@bu.edu prior to working with the vendor.
