

Boston University
Masters Specialization in Higher Education Administration
(Policy, Planning & Administration)
School of Education

Distinctive(s):

- *Advanced concentration (*Full-time students can complete in 1 year; FT students with no professional practice experience concurrently complete a one-year internship and AP801 internship course)
- Internships & assistantships available with BU student affairs & academic affairs
- Partial & Full Scholarships available
- Theory-to-Practice Curriculum (rich learning environment; many of our students already practice in a wide range of entry & mid-management level in higher education at a number of Boston area universities)
- *Part-time flexibility (including up to two courses as non-degree student)
- Late-afternoon-evening courses
- Broad-based curriculum & electives
- Highly experienced higher ed./student affairs faculty and adjuncts
- Abundant opportunities for professional & social capital; Boston has over 60 higher education institutions & hundreds of educational non-profit organizations
