

Oral Presentation Module In-class Activity:

Return to the TED Talk you already viewed for a previous video in this module. In your groups, discuss the speaker's enunciation, pacing, intonation, gestures, and facial expressions. Use the template below to help structure your comments on the speaker. Be prepared to share your responses with the class.

TED Talk title:

Speaker:

URL:

What does the speaker do effectively, and why?

1.

2.

3.

What, in your opinion, could the speaker do more effectively, and why?
